

PRESS RELEASE

In our continuing efforts to improve our service to the community, the Huntsville Police Department has entered into a partnership with Police Reports.US. Police Reports.US is an internet-based company that works with law enforcement agencies to offer accident reports for sale on line. This service will allow those who wish to purchase accident reports to do so on the internet in addition to the traditional way of purchasing accident reports at the Huntsville Police Department.

To purchase an accident report via the internet, companies or individuals merely need to go to <http://huntsvilletx.policereports.us/> on the internet and follow the instructions provided. There are, or will be soon, links to Police Reports.US on the City of Huntsville website at www.huntsvilletx.gov, and the Huntsville Police Department's new Facebook page. Those attempting to purchase a report at policereports.us will need to provide the report number assigned to the report by the police department or the date of the accident and the last name of one of the involved parties. The cost of obtaining an accident report through Police Reports.US is \$7.00.

In addition to purchasing reports via the internet we will also continue to offer the service of purchasing accident reports at the Huntsville Police Department, located at 1220 11th St., Huntsville, TX, between the hours of 8:00AM to 5:00PM, Monday through Friday for \$3.00. We are offering the internet service in an effort to make our services more convenient for the community.
